## Experience

### Depo24

Feb 2023 – Present

Full Stack Developer

Full Time

- Developed and maintained a comprehensive e-commerce admin portal using **React.js, Node.js, MongoDB, AWS and PostgreSQL**, empowering administrators to manage products, orders, and inventory efficiently
- Implemented **role-based access control (RBAC)** and integrated **analytics and reporting features** into the admin portal, providing administrators with real-time insights into sales, inventory, and customer behavior, facilitating data-driven decision-making.
- Collaborated with **cross-functional teams** to develop and enhance order management capabilities, including order processing, shipment tracking, and customer communication, streamlining operations and improving customer satisfaction.

### Includemy - Project Parvaah

Sept 2022 – Nov 2022

Full Stack Developer

Internship

- Worked on an Ed-Tech platform to help and support disabled people
- Collaborated with team members to ensure effective UI/UX design and development
- Worked with various technologies such as **HTML/CSS, ReactJS and Django**

## Projects

### StatsForFans | *HTML, CSS, JavaScript, Django* | [Link](#)

- An interactive Spotify streaming stats web app which already has **4,500+ users** and **32,000+ views**
- It features **real-time** most streamed artists and songs, **extensive streaming stats of most popular artists** on the app and more
- The data is collected by web scrapping using **Python** library and processing is done using **Pandas, NumPy**. For front-end **HTML** and **CSS** and **Javascript** is used and for back-end **Django and Azure** is used.

### Music Charts Generator | *ReactJS, Rest API's* | [Link](#)

- A web app made using **ReactJS** which generates latest different types of music charts around the globe
- It uses the unofficial **Billboard Rest API's** for the data

### Cute Notes | *ReactJS* | [Link](#)

- Developed a note taking web app using **ReactJS**, allowing users to **create and organize rich-text notes**
- The theme is inspired by "Spy X Family" show and has a cute **audio alert while saving notes**

## Education

### University of Delhi

2020 - 2023
